What everyone does

Because we live here. Not paid.

Jobs

Paid. An adult approves each job when it is done.

Job	Amount	How often

The pot

Threshold _____

Split: Save _____ % Spend _____ % Give _____ %

Write each approved job on a line and keep a running total. When the total reaches the threshold, divide the threshold amount between the jars. Anything above the threshold is the first line next time.

Date	Job	Amount	Total

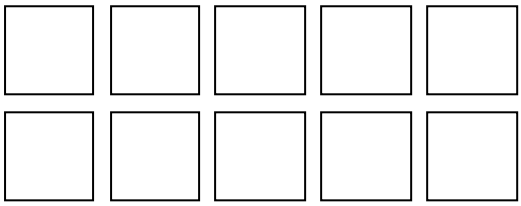

Jar labels

Cut out and stick on three jars or envelopes.

Save

Saving for _____

Price _____

Each square is a tenth of the price. For a $200 goal, colour in one square for every $20 saved.

Spend

The child decides what this money is spent on.

Give

Given to _____
